

# Climate Change

## NORTH YORKSHIRE AND YORK LEADERSHIP PROGRAMME

The workshop will focus on increasing efficiency and effective resource management in Local Authority operations. Discussion of National Indicator 185 (CO2 reduction from local authority operations) will provide 'low hanging' examples achievable in any Authority. The session will be illustrated by best practice from across the region and nationally.

### WORKSHOP 3:

29<sup>TH</sup> JANUARY 2010 9.30AM-12.30PM

ORGANISATIONAL EFFICIENCY AND COST SAVINGS:  
REDUCING GREENHOUSE GAS EMISSIONS FROM COUNCIL ACTIVITIES

0900 – Registration
