

**North Yorkshire
Compact Development Day
15th May 2009**

Resolving disputes with the Compact

Funding scenario – Third Sector

A fund which has been available for 10 years to organisations such as yours has recently rejected an application for a project you would have expected to be approved.

You are concerned that the criteria may have been changed without notification.

How might the North Yorkshire Compact help you to ensure that your organisation gets the best possible outcome?
