SAFEGUARDING STRATEGIC PRIORITIES REPORTING

1.0 Purpose of Paper

This paper provides the Children's Trust with an overview of the reporting arrangements for the agreed safeguarding strategic priorities for the May and July meetings of the Board. This process forms part of the standing arrangements for Trust Board meetings, as agreed at the January 2010 meeting.

2.0 Safeguarding Priorities Reporting Schedule

- 2.1 Table 1 (overleaf) provides an overview of reports relating to the safeguarding priorities that are due to be presented during the next two Children's Trust Board meetings. These reports will form the basis of agendas for May and July and will ensure that appropriate attention is focused on these priority areas of work.
- 2.2 This priority reporting serves to complement the Trust's existing performance management arrangements for the Children and Young People's Plan and the safeguarding activities contained therein.
- 2.3 Due to the cross-cutting nature of this work, some reports will touch upon a number of the identified safeguarding strategic priorities and their categorisation is not intended to be rigid.
- 2.4 It is important to note that the agenda for July has yet to be finalised and will include additional reports focusing on appropriate areas of work, to be agreed at the May meeting.

3.0 Recommendations

- 3.1 That the Board notes the report.
